

TROPHY REGISTRATION

Trophy registration forms are available from the folder under the noticeboard at the clubrooms, or can be downloaded from the club's website.

Please leave completed forms in the yellow folder at the club, post to Trophymaster, RAA, P.O. Box 1083, Rotorua 3040, or scan and email to me at nahawes@xtra.co.nz

If possible, take a photo of your fish and email a copy to me for inclusion in the newsletter if your fish is selected as Fish of the Month.

Take your fish to one of the official weighmasters listed below, or weigh and measure it on your own scales (which must be registered annually at the club) and get it witnessed. You can even weigh and measure your fish and release it (once again, get it witnessed)

Weight and length are required (no "guesstimates" please!), along with species, sex, method used, tippet strength, and any fin-clips etc.

Remember that all fish registered during the year go in the draw for a free adult fishing licence.
